Under The Sea

The Underwater Suites at the Atlantis the Palm in Dubai are a lesson in luxury. The enormous floor-to-ceiling windows allowing a view of marine life from your bed are just the icing on the cake. Named Poseidon and Neptune after the gods of the sea, the sprawling suites also come with 24-hour butler service. And while the suites aren't under the sea, their views of the 65,000 marine animals of Ambassador Lagoon aquarium create the illusion. This really is an experience to remember for any type of traveller, whether you are single, a couple looking for the ideal honeymoon or a family with children with that thirst for adventure. This is that place.

Ideally placed on Dubai's Palm Jumeirah Island, the 5-star Atlantis features a private sandy beach and absolutely stunning views of the Persian Gulf. It boasts its own underwater aquarium including free access to the Aqua venture water park and the Lost Chambers aquarium onsite.

Rooms are tastefully decorated in a modern Arabic style with a sea theme twist including your own balcony with beautiful views. They also have a flat-screen TV with satellite channels, a seating area, a minibar and free tea and coffee making facilities. Some rooms have a spacious terrace with panoramic views of the Palm Jumeirah or alternatively a large spa bath in the middle of the bathroom.

Your Underwater Suite is a haven for peace and tranquility, which features immense floor-to-ceiling windows into a 65,000 marine animal aquarium in Dubai. Float the evening away in your marble bathtub with views of the Ambassador Lagoon, and be transfixed as sharks, rays and fish glide right past your bed continuously.

Head upstairs in your private elevator to your lavishly decorated yet intimate lounge area, where the waters of the Ambassador Lagoon gently lap at your window. Complete with 24-hour private butler service, in-room check-in and a complimentary interconnecting room, everything is catered for, so you and your loved ones can forget the world outside and enjoy every moment this incredible hotel has to offer.

Tantalizing your taste buds with a whopping 30 bars, restaurants and lounges, Atlantis, The Palm is also proud to have three outlets by celebrity chefs – Nobu by Nobu Matsuhisa, Ronda Locatelli by Giorgio Locatelli and Bread Street Kitchen by Gordon Ramsay - as well as award-winning, internationally acclaimed restaurants such as Hakkas an and Sea fire Steakhouse & Bar, and Ossiano. Atlantis, The Palm's sister resort The Royal Atlantis Resort & Residences is also due to open for guests in 2021 and will add another 17 restaurants and bars to the list of options just a short stroll away in the neighbouring resort. There's a restaurant for every occasion here. From breezy beachside dining at White Restaurant to authentic Lebanese fare at Ayamna, no two meals during your stay will be the same, and neither will the settings.

“Nowhere else in the world will you find so many celebrity chefs, award-winning restaurants and out-the-box brunches under one roof”.
